

THURSDAY 2ND JUNE 2022

CAMBRIDGE BOTANIC GARDEN & ICKWORTH HOUSE (NT)

Cambridge Botanic Garden spreads over 40 acres and has 8000 species from all over the world. With its woodland garden and lake, its alpine and tropical areas, it is stunning at all times of the year and a real oasis for visitors. We will have lunch in their café.

Ickworth House (NT) is an Italianate palace in the heart of Suffolk. Its impressive rotunda is home to one of the finest silver collections in Europe and it also boasts an impressive art collection with works by Gainsborough, Reynolds and Hogarth. You can experience the life of 1930s domestic servants in the restored servants' basement.
