

## **The Dangers of telling Porkies**

John, who lived in the north of England, decided to go golfing in Scotland with his buddy, Shawn. They loaded up John's minivan and headed north

After driving for a few hours, they got caught in a terrible blizzard. So they pulled into a nearby farm and asked the attractive lady who answered the door if they could spend the night.

'I realize it's terrible weather out there and I have this huge house all to myself, but I'm recently widowed,' she explained, 'and I'm afraid the neighbours will talk if I let you stay in my house.'

'Don't worry,' John said. 'We'll be happy to sleep in the barn and if the weather breaks, we'll be gone at first light.'

The lady agreed, and the two men found their way to the barn and settled in for the night.

Come morning, the weather had cleared, and they got on their way. They enjoyed a great weekend of golf. But about nine months later, John got an unexpected letter from a solicitor. It took him a few minutes to figure it out, but he finally determined that it was from the solicitor of that attractive widow he had met on the golf weekend.

He dropped in on his friend Shawn and asked, "Shawn, do you remember that good-looking widow from the farm we stayed at on our golf holiday in Scotland about 9 months ago?"

'Yes, I do,' said Shawn.

'Did you, er, happen to get up in the middle of the night, go up to the house and pay her a visit?'

'Well, um, yes!,' Shawn said, a little embarrassed about being found out, 'I have to admit that I did.'

'And did you happen to give her my name instead of telling her your name?'

Shawn's face turned beet red and he said, 'Yeah, look, I'm sorry, buddy I'm afraid I did. Why do you ask?'

'She just died and left me everything.'

## What religion is your bra?

A man walked into the lady's department and shyly walked up to the woman behind the counter and said,

'I'd like to buy a bra for my wife. '

' What type of bra?' asked the clerk.

'Type?' inquires the man, 'There's more than one type?'

' Look around,' said the saleslady, as she showed a sea of bras in every shape, size, colour and material imaginable.

'Actually, even with all of this variety, there are really only four types of bras to choose from.'

Relieved, the man asked about the types. The saleslady replied:

'There are the Catholic, Salvation Army, Presbyterian, and the Baptist types. Which one would you prefer?'

Now totally befuddled, the man asked about the differences between them. The Saleslady responded, 'It is all really quite simple.'

The Catholic type supports the masses. The Salvation Army type lifts the fallen.

The Presbyterian type keeps them staunch and upright.

The Baptist type makes mountains out of molehills. Oh and

Have you ever wondered why A, B, C, D, DD , E, F, G, and H are the letters used

to define bra sizes.

If you have wondered why, but couldn't figure out what the letters stood for, it is about time you became informed!

{A} Almost Boobs.

{B} Barely there.

{C} Can't Complain.

{D} Dang!

{DD} Double dang!

{E} Enormous!

{F} Fake.

{G} Get a Reduction.

{H} Help me, I've fallen and I can't get up!

### **Struggling with Lockdown.**

Now onto our ?? week of lockdown and my husband is now really struggling. Yesterday I found him at the lounge window, just staring into space, tears running down his face. I've never seen him cry before. Sorry to say this is the only minor symptom he is showing. I've racked my brain trying to think of something to cheer him up. At one point I even considered letting him back into the house.... but rules are rules.

### **Yet Another Trump Joke.**

Donald Trump met with the Queen, and he asked her, "Your Majesty, how do you run such an efficient government? Are there any tips you can give me?"

"Well," replied the Queen, "the most important thing is to surround yourself with intelligent people."

Trump frowned, and then asked, "But how do I know the people around you are really intelligent?"

The Queen took a sip of tea. "Oh, that's easy; you just ask them to answer an intelligent riddle."

The Queen pushed a button on her intercom. "Please send Boris Johnson in here, would you?"

The Prime Minister walked into the room and said, "Yes, Your Majesty?"

The Queen smiled and said, "Answer me this, if you would, Boris. Your mother and father have a child. It is not your brother and it is not your sister. Who is it?"

Without pausing for a moment, he answered, "That would be me."

"Yes! Very good," said the Queen.

Trump went back home to ask Mike Pence the same question. "Mike, answer

this for me. Your mother and your father have a child. It's not your brother and it's not your sister. Who is it?"

"I'm not sure," said Pence. "Let me get back to you on that one." He went to his advisers and asked everyone, but none could give him an answer.

Finally, Pence ran in to his friend Jack Murphy in a restaurant the next night.

Pence asked, "Jack, can you answer this for me? Your mother and father have a child and it's not your brother or your sister. Who is it?"

Jack Murphy answered right back, "That's easy, it's me!"

Pence smiled, and said, "Thanks!"

Pence then went back to speak with Trump. "Say, I did some research and I have the answer to that riddle: It's my friend Jack Murphy!"

Trump got up, stomped over to Pence, and angrily yelled, "No, you idiot! It's Boris Johnson!"

### **Local businesses suffer under lockdown.**

A local bra manufacturer has gone bust.

A submarine company has gone under.

A manufacturer of food blenders has gone into liquidation.

A dog kennel has had to call in the retrievers.

A company supplying paper for origami enthusiasts has folded.

Dynorod has gone down the drain.

The saddest one though is the ice cream van man found dead covered in nuts and raspberry sauce. He couldn't take it anymore and topped himself!

I love animals. Over the years I have given loads of money to sick animals. Mind you, I didn't know they were sick when I placed a bet on them.
